Series Two of Prime Original *Sneaky Pete* Launches on 9th March on Prime Video

Critically acclaimed series stars Emmy nominee Giovanni Ribisi with Emmy winners Bryan Cranston and Graham Yost executive producing

LONDON — 25 January 2018—Prime Video today announced its original dramatic series, *Sneaky Pete*, will return for its second series on Friday 9th March. The critically acclaimed Prime Original, a co-production with Sony Pictures Television Studios, revolves around a con man, Marius ([Giovanni Ribisi](#), *Avatar*) who left prison only to find himself hunted by the vicious gangster he once robbed. With nowhere else to turn, he took cover from his past by assuming the identity of his cellmate Pete and “reuniting” with Pete’s estranged family. In the new series, Marius is on the verge of starting fresh, when two thugs, believing he is Pete, threaten to kill the family unless he takes them to Pete’s estranged mother, Maggie ([Jane Adams](#), *Twin Peaks*), and the millions she stole from their mysterious employer. Now Marius must tread a dangerous line to find the elusive Maggie, protect the family, and keep up the Pete con, all while finagling a way to ditch the thugs and keep the money for himself.

During its series debut last year, *Sneaky Pete* was the second most streamed original scripted series on an opening day with a 100% Rotten Tomatoes score. Customers can watch the first series online at www.amazon.co.uk/PrimeVideo before the next ten episodes air on 9th March.

“After the tremendous critical and customer reception in its first series, we’re excited to debut another series of *Sneaky Pete*,” said Sharon Tal Yguado, Head of Scripted Series, Amazon Studios. “Graham and his team have crafted a second series that really raises the stakes for Marius and everyone involved.”

Sneaky Pete is created by [Bryan Cranston](#) (*Breaking Bad*) and [David Shore](#) (*The Good Doctor*), with Cranston, [Graham Yost](#) (*The Americans*), [James Degus](#) (*All The Way*), [Michael Dinner](#) and [Fred Golan](#) (*Justified*) serving as executive producers. The series also stars [Marin Ireland](#) (*Side Effects*) as Julia Bowman, three-time Emmy winner [Margo Martindale](#) (*The Americans*) as Audrey Bernhardt, [Shane McRae](#) (*Still Alice*) as Taylor Bowman, [Libe Barer](#) (*Parenthood*) as Carly Bowman and [Peter Gerety](#) (*Prime Suspect*) as Otto Bernhardt.

The entire second series of *Sneaky Pete* will be available on Prime Video to stream and Prime members can also download the series to mobile devices for offline viewing at no additional cost to their membership. The series will be available in more than 200 countries and territories for Prime members to watch via the Prime Video app for popular smart TVs, Fire TV, Fire Tablets and Android and iOS phones and tablets. Customers who are not already Prime members can sign up for a free trial at www.amazon.co.uk/prime.
