Having set out to create the perfect Christmas gift list, Gemma, Siobhan and Paul worked with a team of small UK business makers to curate their 33-piece collection, with thoughtful and personalised gifting at its heart.

You'll find everything from homeware and skincare, to treats for little ones and even for your pets – so no matter who you're gifting this Christmas, make it extra special this year with the 'Gemma Collins & Friends Christmas Collection'.

'We are so excited to be working with Amazon Handmade and UK Makers to launch our bespoke Christmas collection! There's something about a handmade gift that feels extra personal, and we've made sure that there's something for everyone in this collection. We've had so much fun working on this and can't wait to show you the fabulous collection that we've curated with these small businesses – we hope you love it! Love, Gemma, Siobhan & Paul x'
