November 1, 2022

*Prime members will enjoy an increase from 2 million on-demand to 100 million songs in shuffle mode, ad-free, and at no additional cost to their membership*

*Prime members will also get access to the largest selection of ad-free top podcasts available, including those from Wondery, Crowd Network and The New York Times, and exclusive shows including Three Little Words, Built To Thrive and the MrBallen Podcast: Strange, Dark & Mysterious Stories*

LONDON—1 November 2022—Today, Amazon Music has expanded its offering for Prime members, bringing them a full catalogue of 100 million songs and the most top podcasts available ad-free,<sup>1</sup> at no additional cost to their membership. With today's news, Prime members can shuffle play any artist, album, or playlist, plus stream a selection of All-Access playlists on demand. Prime members can also access the largest catalogue of ad-free top podcasts, including the Amazon Exclusive shows *Three Little Words*, *Built To Thrive* and *MrBallen Podcast: Strange, Dark & Mysterious Stories*. Prime members can get the Amazon Music app [here](#) to begin streaming.

"When Amazon Music first launched for Prime members, we offered an ad-free catalogue of 2 million songs, which was completely unique for music streaming at the time," said Steve Boom, VP of Amazon Music. "We continue to innovate on behalf of our customers, and to bring even more entertainment to Prime members, on top of the convenience and value they already enjoy. We can't wait for members to experience not only a massively expanded catalogue of songs, but also the largest selection of ad-free top podcasts anywhere, at no additional cost to their membership."

### **The most ad-free top podcasts, plus new exclusive shows**

Starting now, Prime members can listen to the most top podcasts ad-free and on demand, including shows they already know and love from Crowd Network and *The New York Times*. Ad-free shows include the *+44 Podcast*, binge-worthy podcasts from Wondery including *British Scandal*, *Who Killed Daphne*, *SmartLess*, *Morbid*, *My Favorite Murder* and *Even the Rich*, and Amazon Exclusive shows including *Three Little Words*, *Built To Thrive* and the *MrBallen Podcast: Strange, Dark & Mysterious Stories*.

### **A new music experience for Prime members**

Starting today, Prime members will now be able to stream even more music than ever before, with an expanded catalogue of more than 100 million songs—up from 2 million—entirely ad-free. Prime members can discover more new music and podcasts based on their likes; shuffle play any artist album, or playlist in the catalogue; stream a collection of All-Access playlists tailored to personalised listening preferences on demand and download them for offline listening. Members can also upgrade to the Amazon Music Unlimited tier to enjoy on-demand access to albums, playlists, and over 100 million songs in HD and a growing catalogue of songs in Ultra HD and Spatial audio.
