*All new sci-fi series produced by Steven Spielberg premiering exclusively on Prime Instant Video, with episodes made available the day after broadcast in the US*

*The new event series, distributed by CBS Studios International, will premiere on Thursday July 10th and will only be available on the UK's largest movie and TV streaming service*

**London, 28th May 2014:** Amazon today announced that CBS Studios International's highly-anticipated sci-fi thriller *Extant*, starring Academy Award-winner [Halle Berry](#) and produced by [Steven Spielberg's](#) Amblin Television, will premiere exclusively on Amazon Prime Instant Video in the UK.

The first episode of *Extant* premieres on Prime Instant Video, the UK's largest movie and TV streaming service, on July 10th, the day after the US premiere on CBS on July 9th. New episodes will be available to stream exclusively from Amazon Prime Instant Video each week, one day after their US broadcast, in high definition and on over 400 devices.

An all-new series from CBS Studios International and Amblin Television, *Extant* is a mystery thriller about a female astronaut (Berry) trying to reconnect with her family when she returns after a year in space. Her experiences in space lead to events that ultimately change the course of human history.

The series stars Halle Berry, Goran Visnjic, Camryn Manheim, Michael O'Neill, Hiroyuki Sanada, Pierce Gagnon and Grace Gummer. *Extant* is a co-production of CBS Television Studios and Amblin Television. Steven Spielberg, Greg Walker, Mickey Fisher, who wrote the script, Brooklyn Weaver, Justin Falvey and Darryl Frank serve as executive producers. Halle Berry is a co-executive producer.

"*Extant* is a bold and thrilling new series from some of the biggest names in entertainment", said Chris Bird, Amazon Instant Video Film & TV Strategy

Director. "Having such a highly anticipated and star-studded show premiere exclusively on Prime Instant Video is a perfect example of our ongoing commitment to bringing the very best in movie and TV entertainment to our customers in the UK."

"We're excited to see EXTANT stream on Amazon in the U.K.," said Armando Nuñez, President and Chief Executive Officer, CBS Global Distribution Group. "With its stellar talent, unique concept and production auspices, EXTANT is sure to be this year's television event in the US, UK and around the globe."

#### **About Prime Instant Video**

Amazon has announced that it is combining two of the most popular subscription services in the UK, Amazon Prime and LOVEFiLM Instant, to become Prime Instant Video from today. Amazon Prime now offers members unlimited One-Day Delivery on over 7 million items, access to 500,000 Kindle books to borrow and unlimited streaming of more than 15,000 popular movies and TV episodes through Prime Instant Video. Prime is available at the low price of £79 a year – a 35% savings for all the benefits of the two previously separate services. Current Prime members can enjoy unlimited streaming at their current price until their renewal date. Customers who are not already members can start a 30-day free trial of Amazon Prime by visiting [www.amazon.co.uk/prime](http://www.amazon.co.uk/prime).
