London - 25th June 2015 - Amazon today announced it has greenlit a third season of the Golden Globe Award-winning series *Transparent*, which will become available exclusively to members of Amazon Prime in 2016. Returning cast includes [Jeffrey Tambor](#) (*Arrested Development*) as Maura Pfefferman, [Judith Light](#) (*Dallas*) as Shelly Pfefferman, [Gaby Hoffmann](#) (*Girls*) as Ali Pfefferman, [Amy Landecker](#) (*Louie*) as Sarah Pfefferman and [Jay Duplass](#) (*Togetherness*) as Josh Pfefferman. In addition, series creator [Jill Soloway](#) has signed an overall deal with Amazon Studios where she will exclusively develop television projects for Amazon Prime. Soloway will continue in her role as Showrunner on *Transparent* and [Andrea Sperling](#), who previously was Co-Executive Producer on the series, has been elevated to Executive Producer.

"Jill is truly a creative force and I'm thrilled that we will be collaborating with her additional projects in the future and on a third season of *Transparent*," said Roy Price, Vice President, Amazon Studios. "The second season is currently starting production, and I know our members will be delighted to continue the journey with Maura and the Pfefferman family."

"I am so thrilled that I get to share more of the Pfeffermans' story with the world," said Soloway. "We are all so in love with watching them change and grow. I am blown away by the creative freedom Amazon gives me and I can't wait to reveal where this journey is going to take us."

Written, directed and executive produced by multi-award winner Soloway, *Transparent* is a half hour novelistic series that explores family, identity, sex, and love. The series stars Tambor as Maura, who has spent her life as Mort—the Pfefferman family patriarch. When she reintroduces herself to her family, everyone else's secrets finally start to come out. This includes her ex-wife Shelly (played by Light), and their children—meandering Ali (played by Hoffmann), record producer Josh (played by Duplass), and sexually conflicted Sarah (played by Landecker). Each family member spins in a different direction as they figure out who they won't become.
